Trial Introductory Flight

Interair offers a Trial Introductory Package for **\$200.00** (including GST).

The course consists of a 30 minute ground briefing on basic aircraft controls and major cockpit features, followed by a 40 minute flight, carried out in our Cessna C172, one of the safest and most popular light training aircraft in the world. The aircraft is equipped with fully-duplicated controls, and your friendly, experienced instructor will guide you through with the aircraft under your own control.

Also available as a Gift Certificate.

An Ideal present for that special occasion!!

Speak to one of our friendly staff for more details
